WELCOME MESSAGE

It is our great pleasure to welcome you to the

Egypt Women's Health Summit

The National Agenda Proposal, held under the esteemed patronage of the Ministry of Interior as part of the Police Medical Services Initiative. This important event will take place on **October 1–2, 2025** at the **Cairo Marriott Hotel**, bringing together leading experts and professionals to address pressing issues in women's health.

We are honored to collaborate with all relevant national and international governmental, private, and civil health organizations and institutions. Your presence and participation are vital to shaping a comprehensive national vision for women's health in Egypt.

Our summit will focus on improving female health outcomes, tackling maternal morbidity and mortality, non-communicable diseases, reproductive and mental health, and promoting lifestyle medicine, telemedicine, medical tourism, and public health awareness.

Together, we aim to lay the foundation for a sustainable and impactful women's health network.
